HOW TO CHECK YOUR INSURANCE BENEFITS

We are happy to verify your insurance benefits for you, but if you wish to confirm your insurance coverage we have created a simple guide. Remember to call your insurance company at least 24 hours prior to your visit. The customer service number can typically be found on the back of your insurance card. Tell the representative that you are calling to verify your acupuncture benefits. (It is a good idea to print this page and bring the completed form with you to your first appointment.) Remember that if acupuncture is not covered by insurance Stoneburner Acupuncture offers discounted rates for services paid for on the day of service.
